

**MARSHALL M. FREDERICKS  
SCULPTURE MUSEUM**

The Museum's **Main Exhibit Gallery** includes 200 works of bronze sculptures and plaster models by Marshall Fredericks, which span a 70 year career.

The **Sculptor's Studio** is a permanent installation of Fredericks's tools, equipment and armatures that explain the complicated and fascinating casting process.

The **Jo Anne and Donald Petersen Sculpture Garden** adjacent to the Museum includes 20 bronze casts of Marshall Fredericks's work.

Meander through botanical beds, enjoy the sound of water in the large *Night and Day Fountain* and the small *Otter* pool, or just sit and relax on one of the garden benches.
